Dear Parents/Carers,

We would like to thank you for expressing an interest in your child joining us here at Starcross Pre-school.

Tish and Sarah are the Managers here, if you have any questions or queries please do not hesitate to contact them.

We are a very inclusive pre-school, if your child has any specific needs or requirements please speak to us, we will help wherever we can.

Starcross Pre-school is part of Ivy Education Trust and is governed by Starcross Primary School. We have comprehensive policies in place to ensure your child is safe and well cared for whilst in our care. We very much welcome working in partnership with parents and carers; should you wish to become more involved (such as volunteering, becoming part of the PTFA etc.) please do let us know.

You will find enclosed a Registration Form, along with other documentation and information. Please read through and complete fully before returning to us. The information in this registration form will be used by the pre-school and will also allow us to claim funding for your child (if eligible).

You will also find enclosed a letter giving details of fees, charges and funding. It is a requirement to see your child's Birth Certification, so could you please bring this with you to your child's settling in session.

Once the forms have been returned to us, the school office will contact you to discuss settling in sessions, and the times / days of the sessions you would like to request.

We look forward to welcoming you and your family to Starcross Pre-school

Many thanks

Starcross Pre-school Team
