Reading Spine

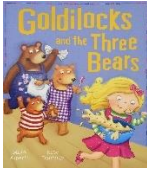

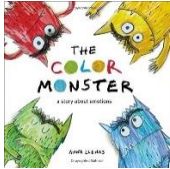

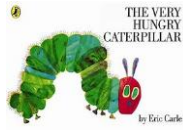

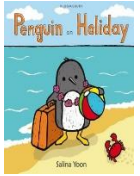

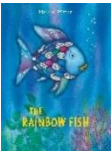

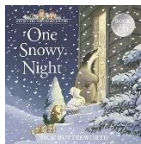

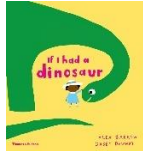

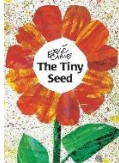

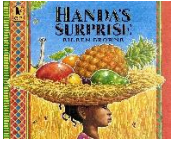

“A child who is read to will have an inner kingdom of unicorns, talking spiders and a knife that cuts into other worlds.”

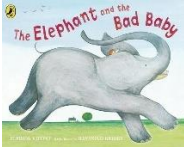

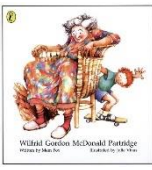

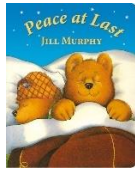

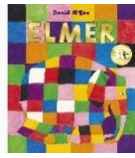

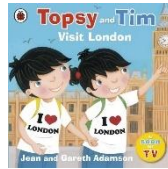

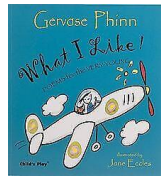

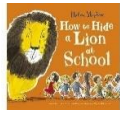

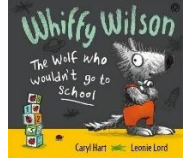

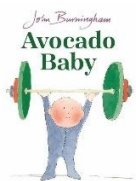

Pie Corbett

We are a reading school and we are determined to foster a love of reading in all our children, regardless of need or barriers. To that end, we have selected a list of books (both ‘old and gold’ and ‘new and bold’) that adults will share with the children in each class. The books have been chosen from a range of quality-assured sources such as the Book Trust, Devon County Council’s *BookWrites*, and Pie Corbett’s reading spine.

This is not an exhaustive list and the children will be exposed to many more high-quality texts in different areas of the curriculum. The Reading Spine represents the core texts that we want our children to know, experience and love as they progress through the school.

We believe that every child has the right to see their unique realities reflected in the books they read, and this is represented in our selected texts, which place equal value on all cultures and backgrounds.
